WELCOME!

- Please use the Q&A window to enter your questions for today’s workshop.
- We will do our best to answer the questions in real time and will post responses to those we didn’t have time to cover.

Q&A

Enter your question in the Q&A panel.

1. On the right side, click on Q&A header to open the Q&A panel
2. Select a participant in the ask menu
3. Type your question in the box
4. Click send or send privately
